

January 7, 2019 PCN Alert

Our records indicate that you have purchased one or more of the following products within the last two years: 152-1A, 152-1B, 152-G, 153-G, 152-KA, 152-Q, 153-Q, 154-Q, 155, A4, B4.

The product(s) that you purchased has been reformulated. The new product is less prone to crystallization and therefore has improved homogeneity. Our testing indicates the new formulation improves the handling and performance of the product. The only difference with the physical packaging of these parts will be updated logo branding.
