Part Number: BWS-PWIDS-CD

Description: Brady Workstation Product and Wire Identification Software Suite

Overview

When you need to create product identification and wire marking labels, the Product and Wire Identification Suite is your go-to solution.

- Custom Designer - Complete, customized label creation and

  editing.

- Text Labels - Simple designing for text-only wire and cable labels.

- Sequence - Easily create labels based on numeric and alphanumeric

  sequences.

- Excel Import - Easily import Excel data right onto your labels.

- Advanced Import - Easily import data from sources beyond Excel onto your labels.

- Template Editor - Create templates with locked or editable elements for consistent label creation.

- Advanced Sequence - Create dependent and complex sequences for label creation.

- Flip Flop - Automatically swap text items horizontally or vertically for DataCom labeling.
