Data sheet update for PMSTA92

Information Notification

The marking code shown in the data sheet of PMSTA92 transistor will be corrected to %2D instead of tD2, where % is the placeholder for manufacturing site code. There is no change in manufacturing site for PMSTA92.

The format of PMSTA92 transistor data sheet has been also redesigned to comply with the new identity guidelines of Nexperia and the legal texts have been adapted to the new company name where appropriate. Additionally, soldering information of SOT323 (SC-70) package will be included in the datasheet.

Why do we issue this Information Notification

Typing error in current data sheet.

Identification of Affected Products

Product identification does not change, marking on product does not change.

Impact

Data Sheet Revision

A new datasheet will be issued

Additional information

Affected products and sales history information: see attached file
