## Specification change: SA1E series miniature photoelectric switches

IDEC would like to inform you of a few specification changes regarding our SA1E series miniature photoelectric switches. Details are as follows:

### 1. Affected models:

SA1E series miniature photoelectric switches•

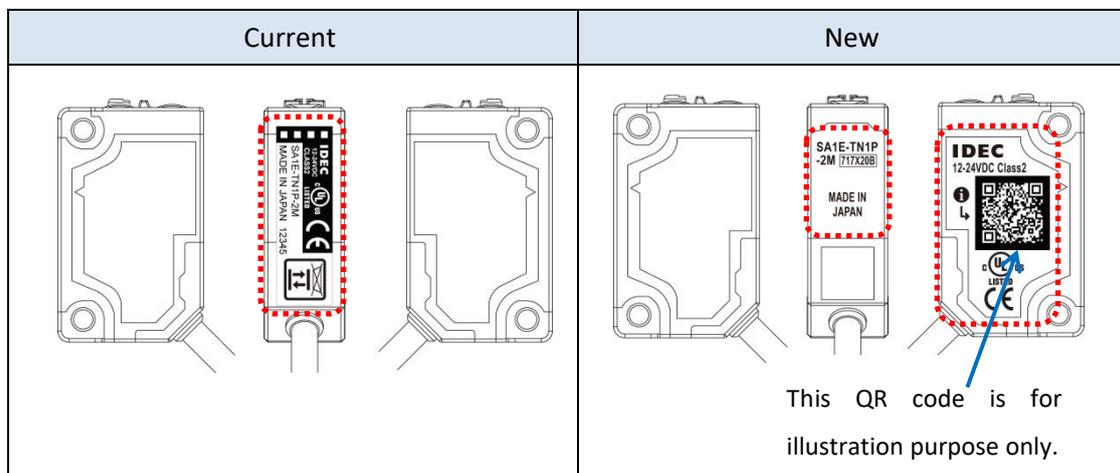

Through-beam type

- Polarized retro-reflective type
- Diffuse-reflective type
- Background suppression (BGS) type
- Small-beam reflective type

(Except SA1E-L and SA1E-X)

### 2. Specification change:

Marking will be changed from labeling to laser marking and a QR code will be added as below. Also, the manual will be no longer packed with the product but printed on the packaging bag.

**Note:** There is no other specification change.

### 3. Schedule:

Depending on stock, updated models will start shipping from May 2019.

### 4. Part number and pricing will remain unchanged.

## 5. Identification:

Modified products will be packed in a manual printed packing bag.
