

## Green Grip Removed from MX Hand-piece Assemblies

Metcal has removed the extra green grip that was provided in the Advanced, Ultrafine, and High Thermal Demand hand-piece assemblies, effective immediately.

The following hand-piece assemblies are now provided with one black grip that is shipped assembled to the hand-piece:

Part Number	Description
MX-H1-AV	Advanced hand-piece assembly with cartridge removal pad
MX-H2-UF	Ultrafine hand-piece assembly with cartridge removal pad
MX-H6-HTD	High thermal demand hand-piece with cartridge removal pad

MX-H1-AV with tip

MX-H2-UF with tip

MX-H6-HTD without tip

The green grip assembly is available to purchase separately or also in a 5-pack of the replacement green sleeve only.

Part Number	Description
