Specification change: Plug-in base of NRA series circuit protectors

IDEC would like to inform you of a specification change regarding the plug-in base of NRA series circuit protectors. Details are as follows:

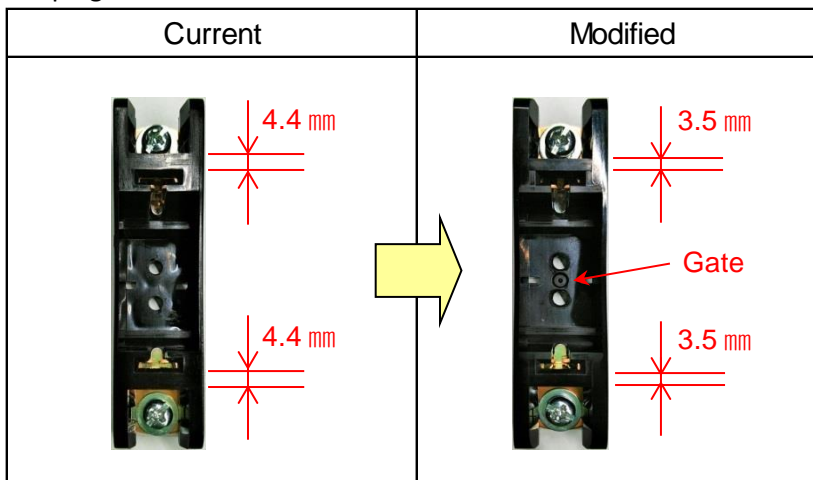

1. Affected models:

Type		Part number	Used with
Surface mount	For 1-pole	NUS1	NRAS NRAN
	For 2-pole	NUS2	
	For 3-pole	NUS3	
	For 1-pole	NUS11	NRAR
DIN rail mount	For 1-pole	NR21	NRAS NRAN
	For 2-pole	NR22	
	For 3-pole	NR23	
	For 1-pole	NR211	NRAR

2. Specification change:

The plug-in base will be modified as below:

Note: Current and modified products can be used together.

3. Schedule:

Depending on stock, updated models will begin shipping after October 2018.

4. Part numbers and pricing will remain unchanged.

5. Identification:

New products will have a dot displayed on their products, next to the lot number.

This identification mark will be used with all products made until March 2019.
