Tapes that are made of tougher stuff

Brother's TZe tapes are extra durable and help you stay compliant with the IET Wiring Regulations (18th Edition).

With excellent resistance to water, abrasion, chemicals and severe temperatures, they've been tested to the extreme.

Choose from:

- TZe tapes - with hardwearing and fade resistant laminated technology
- Strong adhesive tapes - ideal for irregular surfaces with 50% more strength than a standard tape to stay put in the most demanding environments
- High-grade, flexible ID tapes - specially formulated to wrap securely around wires and cables
- HSe heat shrink tubes - for clear cable identification
- Security tapes - when the label is peeled, it leaves behind a 'checkerboard' pattern indicating the label has been tampered with.

Tape sizes:

3.5mm 6mm 9mm 12mm 18mm 24mm
