

Part Number: UST-230

Description: Dual & Quad Shield Replacement Blade Cartridge for UST Series

This product is the Replacement Blade Cartridge for Universal Cable Stripping Tool (UST-500) and Coaxial Cable Stripping Tool (UST-185). This blade cartridge features the following:

- Provides a 2-level strip for Belden, Commscope, Times Fiber, and other mini COAX cables
- High carbon steel blades last for over 5,000 strips
- Cable stop on both sides of the cartridge ensures precise stripping without need to make adjustments
- Cartridge is reversible for ambidextrous use
- Stripping action removes 1/4" of jacket and 1/4" of shield and dielectric, which exposes the center conductor
