

16-May-2019

**PCN #:E-19-007762**

**Subject:**Halogen lamp NAE-143-3 (988208-000) replacement for application equipment tool.

**Description of Change:** Dear Customers, due to changes in legislation, European suppliers have been phasing out halogen lamps for certain applications. As a result TE is working to ensure no disruption of product for our customers. You will be receiving lamps that meet the EWX 24V 250W G6.35 specification but will exhibit a minor visual dissimilarity and a possible variance in life expectancy when bulb is used with the IR1759 MiniRay Infrared Heat Tool product line.

**Reason:** Manufacturing / Process Requirements. Due to changes in legislation, European suppliers have been phasing out halogen lamps for certain applications.

**Key Dates:**

**Contact By Date:**21-May-2019

**Implementation Date:**21-May-2019

**Product Affected**

988208-000

(Alias Part Numbers:

"4-1197635-5")

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
