General Product Description:
Halogen lamp NAE-143-3 (988208-000) replacement for application equipment tool.

Description of Changes
Dear Customers, due to changes in legislation, European suppliers have been phasing out halogen lamps for certain applications. As a result TE is working to ensure no disruption of product for our customers. Going forward you will be receiving Miniray tools with the new lamps which still meet the EWX 24V 250W G6.35 specification but will exhibit a minor visual dissimilarity and a possible variance in life expectancy within the MiniRay Infrared Heat Tool product line. The overall fit, form and function has no impact on the tools.

Reason for Changes:						
Customer Request.Manufacturing / Process Requirements. Due to changes in legislation, European suppliers have been phasing out halogen lamps for certain applications.
