Gluing? Screwdriving?

The Bosch cordless tacker hits the mark.

Say goodbye to hammers, screws, glue and pins: the handy cordless tacker from Bosch helps you to quickly and conveniently fasten a variety of materials such as fabric, leather or cardboard on surfaces made of soft wood.

Bosch cordless tacker: Push + Release.

Simply push the tacking nose onto the workpiece and pull the trigger – this two-stage system enables controlled handling and prevents accidental triggering.

Easy stapling!

With the new, compact

Lithium-ion technology

No memory effect, no self-discharge: always ready for use thanks to lithium-ion technology

Charge level indicator

Tells you whether the battery needs to be recharged

Softgrip
