**PCN #:**P-19-017495

**Subject:**Manufacturing Location Change Appliances Tubing DWFR Products

**Description of Change:** Manufacturing location change. Following Part Numbers will be transferred from Menlo Park, USA to Trutnov, CZ. Different parts will move in different phases, consequently not all new part numbers will be immediately available at the end of the notification period.

**Reason:** Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a process which produces a finished TE-product.
