

## Snooper S2700

### Small and Simple

As our most affordable satellite navigation device, Snooper S2700 keeps things nice and simple delivering superior navigation without the additional features of our premium devices.

## KEY FEATURES

**4.3" Widescreen LCD Screen** - Large enough to give clear indication of your speed and the road speed, but small enough not to obstruct the drivers view.

**Free European Lifetime Map Updates** - Ensuring the S2700 mapping is up-to-date, all new Snooper sat-navs have free lifetime map updates as standard.

**New Improved Mapping** - All Snooper sat-nav units utilise the latest European street level mapping. (Supplied by Here® Maps for Life).

**Free Traffic Information Technology** - With FREE premium TMC built-in, S6800 will notify drivers of upcoming traffic congestion or incidents, allowing them to navigate along quick alternative quicker routes.

**Choice of Truckmate, Ventura, and Car Snooper Software** - Pick software tailored to the vehicle with options for Trucks, Caravans and Motorhomes which will deliver routes for larger vehicles.

## PRODUCT SHOTS

## PRODUCT FEATURES

**My-Speed XL** - Whilst travelling routes a driver is familiar with, My-Speed XL software can display the speed limit of the road and a driver's current speed in large format. \*Car Version Only.

**Improved Processor Speed** - As the upgraded model of the S2500, the S2700 has enhanced system processor, offering smoother functionality and on-screen graphics.

**Junction View** - Full screen images of main motorway junctions are displayed in advance to help you navigate safely.

**Lane Guidance** - Specially formulated lane guidance software provides advanced notice of which lane or lanes to use when approaching junctions for safer driving.

**Navigate By Junction Numbers** - Search and navigate to motorway junction number using the updated 'Find by Map' function including Junction numbers.

**Your Route** - Create and save your bespoke routes. Use the map view to select the roads you would like to travel or search road by road, use 'Your route' to build your own personal, tailored routes.

**POI 'Corridor' Search** - Choose to search from our extensive list of POI using our new 'corridor' search facility. The 'corridor' search function enables you to search specifically along your pre-programmed route.

**New and Improved Menu Display** - Snooper S2700 now includes a completely new and updated menu design for easier car navigation. Brighter, stylish and sleek.

**User Controlled Adjustable Map Text** - Increase the size that road names and numbers are displayed on screen making them easier to read for safer and easier navigation.

**EU Maps** - Maps for: UK, France, Spain, Portugal, Italy, Austria, Switzerland, Belgium, Holland, Luxembourg, Germany, Denmark, Norway, Sweden, Finland, Poland, Estonia, Lithuania, Czech Republic, Latvia, Liechtenstein, Hungary, Romania, Slovakia, Slovenia, Serbia, Montenegro, Croatia, Turkey, Greece, Albania, Bosnia & Herzegovina, Bulgaria, F. Yugoslavia, Reb. Of Macedonia, Russia, Cyprus and Ukraine.
