# HARTING Product Change Notification

PCN

**Business Unit:** Electric

**PCN/19/014/C+N**

**Product range:** Han / Han; Einsätze; Han-Modular; Power

**Date:** 2019-04-10

**Author:** Finn Timmermann

**Title:** Han 200A module - voltage rating - External.docx

## Details of Product Changes

### 1. Concerned part number (see also attachment):

0914 001 3101, 0914 001 3102

### 2. Description of changes / news:

Due to a non-compliance of the creepage distance, we have to downgrade the voltage rating of the 200A module. In pollution degree 3 the new specification will be adapted from 1000 V to 800 V. In pollution degree 2 the voltage rating remains unaltered and is still 1000 V. There will be no change of the dimension of the module, however the laser printing has to be changed accordingly.

*Photo of new product*

### 3. Impact on product specification:

In pollution degree 3 the rated voltage is changed from 1000 V to 800 V  
In pollution degree 2 the rated voltage is still 1000 V

### 4. Scheduled date of implementation:

2019-04-09

### 5. Identification of change:

- The concerned parts gets a new revision level (0914 001 3101 from R01 to R02)

### 6. Data sheet (optional):

- For updated specifications and drawings please check the eCatalogue
