

Cable Vent™

NEW!

The "All in One" Reversible, Separable Pass thru Plate

- Reversible vent design. Rotate the Cable Vent™ for a front facing or rear facing installation
- Used where A/V cables pass through the wall such as behind flat panel HDTVs and head end A/V gear
- Attaches to standard 1-gang low voltage backless box
- Patented keyed-tab feature holds plate together
- Allows easy installation in applications where cabling is already connected to equipment
- Available in White, Light Almond, Ivory and Black

Splitplate Allows Easy Installation Where Cabling Is Already Connected
