Low Pass Filter

Order Code 23016

Version 2.0

D-SUB Filteradapter Set Low Pass Filter

Würth Elektronik D-SUB Filter Technology, C-Filter 1000 pF

Important information: Würth Elektronik's design kits contain reference components. These components correspond with the current product development status on the day of supply. Exchange of the reference components to components with up-to-date product development status is not carried out automatically. No liability is taken for the use of these reference components. Therefore, please request new samples prior to releases for series production and product release.

Please check datasheets on www.we-online.com for specifications.
