3M Product Discontinuation and Leadtime Extension for Select MDR Accessories

Effective immediately, 3M is discontinuing four MDR plastic shell kits and temporarily extending the leadtime for two MDR solder plug kits. This is a direct result of the Typhoon Hagibis so we apologize that we cannot offer a last time buy window for the discontinued parts.

Discontinued Parts include:

Discontinued Parts		3M Suggested Cross	
3M Part #	Description	3M Part #	Description
10368-3281-000-1	3M™ Shielded Cable Junction Shell, Round Cable, 68 pin count, Crimped style, 11.0 mm cable exit ID	10368-3210-000	3M™ Shielded Cable Junction Shell, Round Cable, 68 pin count, Screw lock style, 9.1 mm cable exit ID
