Re: request for Multilayer Type Power Inductors (MLPI)
(ELGU, ELGT, ELGR series)

Dear Sir and Madam,

We appreciate your continued patronage of Panasonic Corporation and Device Solutions Business Division.

We are sorry to inform you that we will discontinue the production of Multilayer Type Power Inductor (MLPI).

It is difficult to continue the production due to the decline in market demand for these products, replacement by other series such as winding type and metal connector, and the deterioration of production machine and die.

Therefore, we would like to receive the final order and deliver these products by the schedule listed on **EXHIBIT A** to this letter.

We regret the inconvenience and impact this notice may cause your company. We are grateful for your understanding and continued support.

Sincerely yours,

Masaki YOSHINO
