## Air flow sensor SFAB-1000U-WQ10-2SA-M12 Part number: 565407

**FESTO** 

| Feature                                    | Value   |
|--|---|
| Type code                                  | SFAB  |
| Certification                              | RCM compliance mark<br>c UL us - Recognized (OL)          |
| CE marking (see declaration of conformity) | As per EU RoHS directive<br>As per EU EMC directive       |
| Certificate issuing authority              | UL E322346  |
| Note on materials                          | RoHS-compliant  |
| Measured variable                          | Consumption Flow rate                                     |
| Flow direction                             | P1 -> P2<br>Unidirectional                                |
| Measuring principle                        | Thermal   |
| Flow measuring range start value           | 10 l/min  |
| Flow measuring range end value             | 1000 l/min  |
| Operating pressure                         | 0 bar 10 bar  |
| Operating medium                           | Nitrogen<br>Compressed air as per ISO 8573-1:2010 [7:4:4] |
| Temperature of medium                      | 0 ℃ 50 ℃  |
| Ambient temperature                        | 0 ℃ 50 ℃  |
| Nominal temperature                        | 23 ℃  |
| Accuracy of flow rate                      | ± (3% o.m.v. + 0.3% FS)                                   |
| Zero point repetition accuracy in ± %FS    | 0.2 %FS   |
| Repetition accuracy margin in ± %FS        | 0.8 %FS   |
| Switching output                           | 2 x PNP or 2 x NPN switchable                             |
| Switching function                         | Window comparator<br>Threshold value comparator           |
| Switching element function                 | N/O contact<br>N/C contact                                |
| Max. output current                        | ≤100 mA   |
| Analog output                              | 4 - 20 mA   |
| Flow rate curve start value                | 0 l/min   |
| Flow rate curve end value                  | 1000 l/min  |
| Output characteristic curve initial value  | 4 mA  |
| End value output characteristic curve      | 20 mA   |
| Max. load resistance of current output     | 500 Ohm   |
| Short-circuit protection                   | yes   |
| DC operating voltage range                 | 15 V 30 V   |
| Reverse polarity protection                | for all electrical connections                            |

| Feature                                     | Value   |
|---|---|
| Electrical connection                       | M12x1<br>Plug, straight<br>5-pin                                    |
| Pin allocation in accordance with standards | EN 60947-5-2  |
| Type of mounting                            | With wall/surface bracket With through-hole Optionally: With H-rail |
| Mounting position                           | Any   |
| Pneumatic connection                        | QS-10   |
| Product weight                              | 600 g   |
| Housing material                            | PA-reinforced   |
| Display type                                | Illuminated LCD blue  |
| Displayable unit(s)                         | l/min<br>scf<br>m3<br>l<br>scfm                                     |
| Degree of protection                        | IP65  |
| Pressure drop                               | <100 mbar   |
| Corrosion resistance class (CRC)            | 2 - Moderate corrosion stress                                       |
