

Product Change Notification

End of Life Notification

Product Category : Sensors & Transducers – Electromagnetic Transducers

Issue Date : 30 - APRIL - 2020

Effective Date : 30 - APRIL - 2020

LTB Date : N/A (Until the Stock Exhausted).

LTD Date : N/A (Until the Stock Exhausted).

Reason For Change : We will be obsoleting the DG85BM and DG85CM series of relays and replacing with the following DG57BM and DG57CM relays

FORM/FIT/FUNCTION : The DG57BM style relay offers more robust performance and is a form, fit and function replacement to the DG85BM style relay. The DG57CM style relay offers more robust performance but is not a form, fit and function replacement to the DG85CM style relay. This is because the DG85CM has all terminals 90 degrees rotated, against the DG57CM.

Part Effected : Below are the list of part which are obsoleted and with Replacement.
