

Product discontinuation notification (PDN)

Title / short description	Discontinuation Energy meter
Affected article category	Measurement and control technology
Change category	Discontinuation
Change number	ICK190015-00

Purpose/objective of the change

The existing product portfolio will be discontinued due to the ending partnership and a development of an own new product family.

Detailed description of the change

The discontinued energy meters will be replaced by a new product family due to new market requirements and the ending partnership of the supplier. The new product family has been technically improved and offers a wider range of device variants and communication interfaces in addition to simplified operability and the extension of functionalities.
