3M Mopping Systems

**Sometimes it's what your guests
don't see that makes an impression.**

No dirt. No spills. No puddles. And no unsightly mop and bucket.

Better cleaning just got a lot easier.

Say goodbye to bulky string mops, buckets and flimsy tools and say hello to the superior performance of 3M Mopping Systems.

Flat Mops

Mop Pads

Chemical Management Systems

3M Mopping Systems

Experience how easy it is to achieve sparkling clean floors with total mopping solutions from 3M. Mops, scrubbing pads and cleaning chemicals designed to work together to provide beautiful, consistent results every time.

- ▶ Durable long lasting components are replaceable
- ▶ Remove more ground-in dirt for a deeper clean
- ▶ Disposable pad options for a healthier clean
- ▶ Specially formulated cleaning chemicals that clean, shine and disinfect a variety of hard floor surfaces

Bottle dispensing is convenient for daily cleaning and disinfecting.

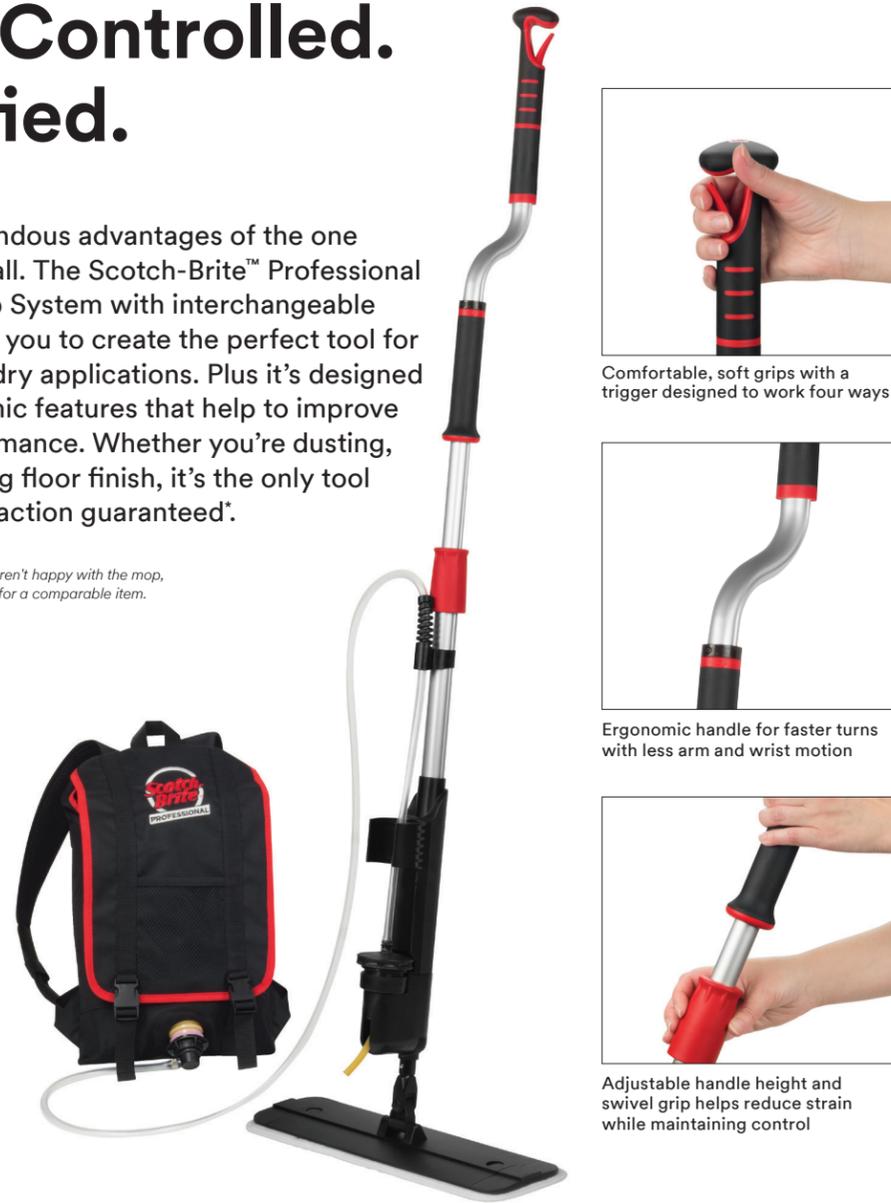

Clean. Controlled. Simplified.

Discover the tremendous advantages of the one mop that can do it all. The Scotch-Brite™ Professional 2-in-1 Flat Wet Mop System with interchangeable components allows you to create the perfect tool for a variety of wet or dry applications. Plus it's designed with many ergonomic features that help to improve comfort and performance. Whether you're dusting, mopping or applying floor finish, it's the only tool you'll need — satisfaction guaranteed*.

*100% satisfaction guarantee: If you aren't happy with the mop, you can return it within two (2) years for a comparable item.

Two delivery systems. One tool.

Convert between bottle and backpack dispensing for cleaning large areas or applying floor finishes.

Comfortable, soft grips with a trigger designed to work four ways

Ergonomic handle for faster turns with less arm and wrist motion

Adjustable handle height and swivel grip helps reduce strain while maintaining control

Floor cleaning, made easier.

- ▶ Improves performance up to 8X — ergonomic design reduces stress and strain on wrists, shoulders and waist
- ▶ Helps conserve chemicals up to 80% — uses the proper amount of solution for the job
- ▶ Versatile and adaptable — choose components best suited for your specific mopping or floor finish needs
- ▶ Easy to swap and refill cleaning fluid bottles — translucent bottles are easy to monitor, detach and refill
- ▶ Compatible with most general cleaning, disinfecting solutions PLUS floor finishes and protectors and can be used with plain water

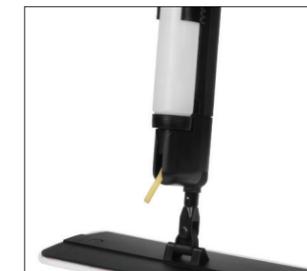

Extend the life of your Scotch-Brite™ Professional 2-in-1 Flat Mop and Backpack Applicator Kit with genuine 3M replacement parts.

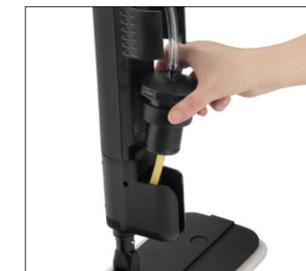

3M™ Hook and Loop Strips can be easily replaced when worn

Switch between trapezoid or rectangle shaped mop frames or replace when needed

Two bottle sizes are available — 16 oz. and 32 oz.

Change out bottle with valve assembly for backpack dispensing

A cleaner floor? No problem.

Remove more ground-in dirt while cleaning your floors with the 3M™ Easy Clean Disposable Floor Mop Pad. Its unique scrubbing fibers remove even the most stubborn dirt and surface stains.

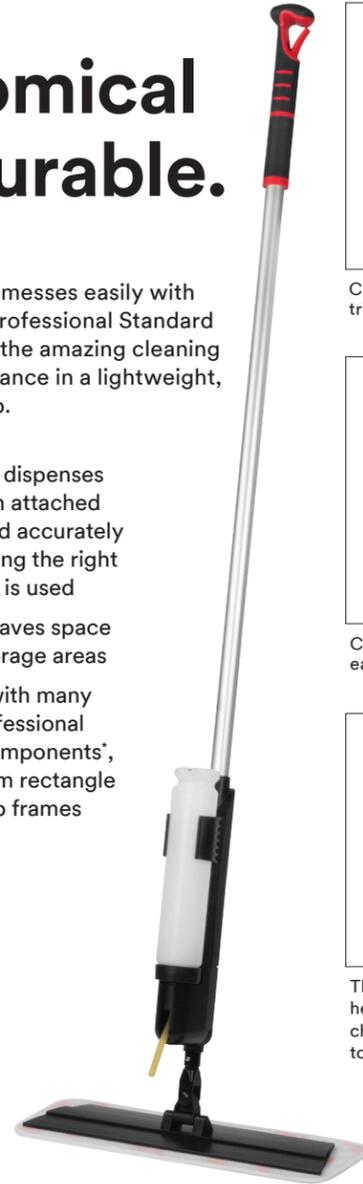

- ▶ Floor dries in 60% of the time when compared to a string mop
- ▶ Removes 2X more ground-in dirt versus microfiber flat mops
- ▶ Reusable — use the pad until it's fully covered with dirt, then replace it
- ▶ Can be used wet or dry

Economical and durable.

Clean the toughest messes easily with the Scotch-Brite™ Professional Standard Flat Mop. Discover the amazing cleaning power and performance in a lightweight, straight handle mop.

- ▶ Soft-touch trigger dispenses cleaning fluid from attached bottles directly and accurately to the floor, ensuring the right amount of cleaner is used
- ▶ Compact design saves space on carts and in storage areas
- ▶ Interchangeable with many Scotch-Brite™ Professional 2-in-1 Flat Mop components*, including aluminum rectangle and trapezoid mop frames

Comfortable, soft grips with a trigger designed to work four ways

Clear detachable bottle makes it easy to fill and see fluid level

The 3M™ Easy Scrub Buddy Jug helps you easily transport cleaning chemicals. And, means fewer trips to the cleaning closet to refill mops.

*Not compatible with backpack finish applicator kit or related components.

Improved safety, accurate cleaning, sanitizing and disinfecting.

The right amount of chemical for each task.

Take the guesswork out of mixing, dispensing and using chemicals. 3M™ Chemical Management Solutions are highly accurate and designed to reduce exposure to chemicals, which helps improve safety.

The right kind of chemical for each task.

3M's concentrates are easy to use and clearly marked with numbered and color-coded labels to ensure proper use.

- ▶ 3M™ Neutral Cleaner Concentrate
- ▶ 3M™ 3-in-1 Floor Cleaner Concentrate
- ▶ 3M™ Peroxide Cleaner Concentrate
- ▶ 3M™ MBS Disinfectant Cleaner Concentrate
- ▶ and many more

See the complete line of 3M chemical concentrates and chemical management systems for your floor needs at 3M.com/facility.
