**Product Change Notification
 2604, 2606, 2616 and 832 Series**

PCN 2019-12-2604-2606-2616-832

Dear Sir or Madam,

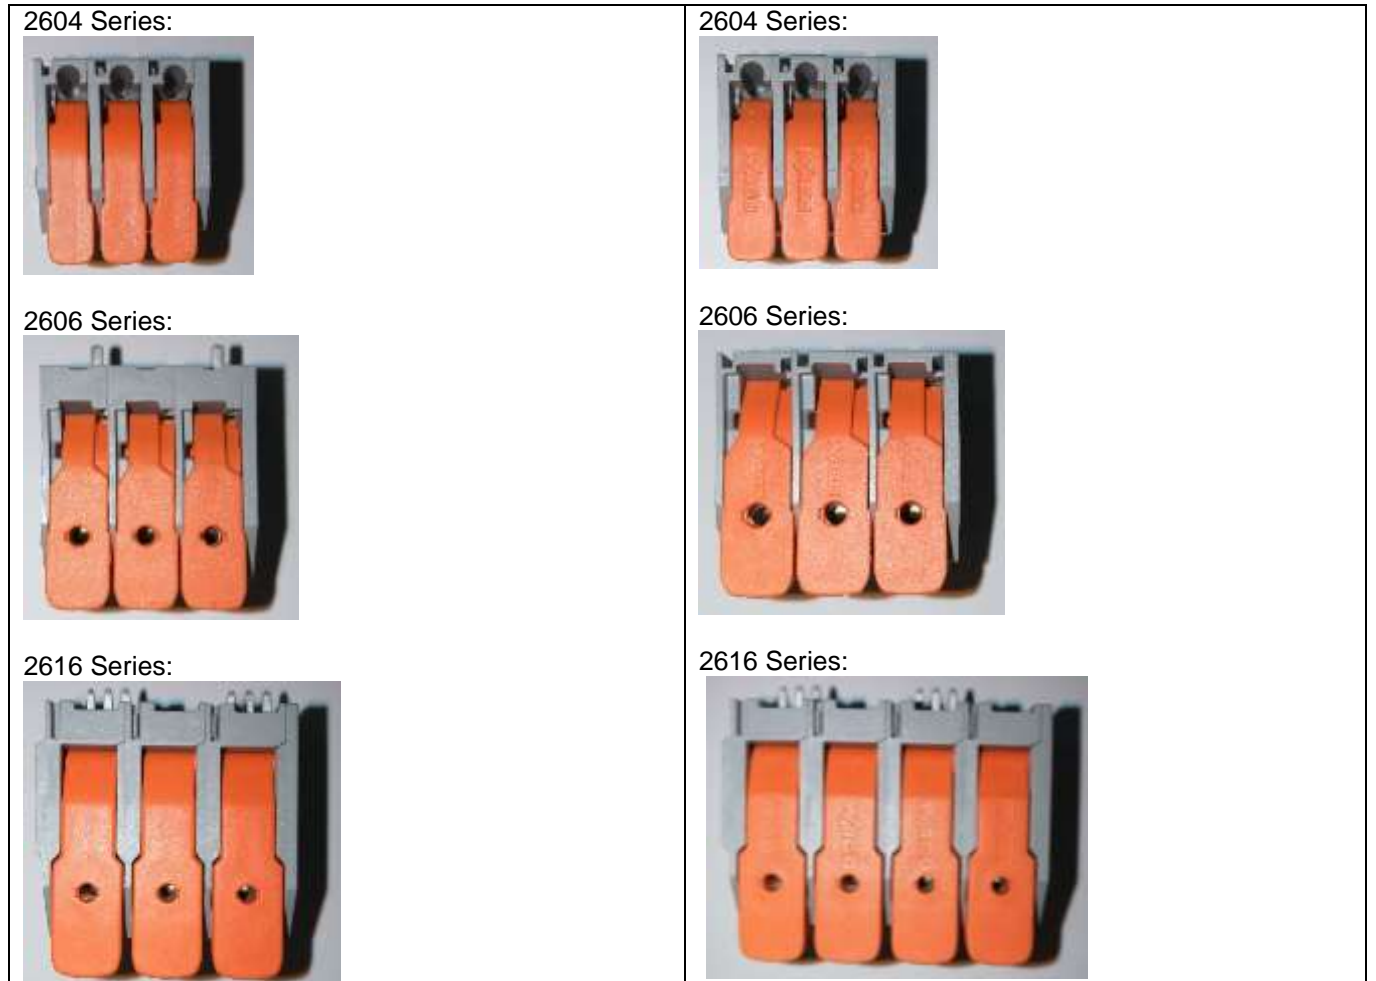

with this letter, we would like to inform you about the following changes on our **PCB Terminal Blocks and Connectors of the 2604, 2606, 2616 and 832 Series.**

1. Design change of the levers
2. Affected article numbers
3. Technical data and approvals
4. Change Period

1. Design change of the levers

The levers of the above series are affected by a design change and will be delivered in the future with a WAGO logo.

Old version	New version
832 Series: 	832 Series: 

2. Affected article numbers

The article numbers stay the same.
The affected article numbers are attached to this letter.

3. Technical data and approvals

The change has no impact to the technical data and approvals.

4. Change Period

The change will be implemented within the next six months.
Mixing different levers in a PCB terminal or connector is not possible.

With best regards,

WAGO Kontakttechnik GmbH & Co. KG
