Product Information

NOTEBOOK CLEANING KIT & REFILL

Product Code: NCK 000 - Kit
NCK 000R - Refill

Description:

The Notebook Cleaning Kit is designed to offer a complete cleaning solution for all Notebook Computers.

It is supplied in a hard wearing leather-look pouch which can be refilled with the Notebook Cleaning Kit Refill.

Contents:

- 2 x Ultraclene - wet/dry surface cleaner sachets
- 1 x 5ml Pump spray - screen cleaning fluid
- 10 x Optical quality cloths
- 1 x 3.5" Floppiclene Disc Drive Cleaning Disc
- 5 x Solvent cleaner sachets
- 1 x Leather-look pouch (kit only - not refill)

Technical Information:

Ultraclene 1 - Special non-woven material, pre-saturated with ULTRACLENE cleaning solution

Ultraclene 2 - Special non-woven material, drying cloth

Screen Cleaning Fluid - Specially formulated cleaning solution for LCD screens

Optical Quality Wipes - Lint-free optical quality wipes for use on LCD screens

3.5" Head Cleaning Diskette - Multi-use cleaning disc for 3.5" Floppi-disc drives

Solvent Cleaner - Cleaning fluid for use with 3.5" Head Cleaning Diskette

How to use:

LCD Screen Cleaning: Apply 3 sprays of Screen Cleaning Fluid directly onto screen. DO NOT overwet. Clean and lightly polish with optical quality wipes. Clean your screen once a week, or as required.

Case & Keyboard Cleaning: Tear open both wet and dry ULTRACLENE sachets before starting to clean. Wipe pre-saturated cloth over whole surface to be cleaned and wipe off immediately with dry cloth. DO NOT USE ON LCD SCREEN.
