Current Date: 11-Apr-2020

## TE Connectivity

Product Change Notification: P-20-018905

PCN Date: 09-APR-20

Customer: TTI Inc(0000139702)

Location: WORLDWIDE

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

Switches, Miniature Rotary

**Description of Changes**

Notification of manufacturing location addition. The manufacturing locations for the following part numbers will be expanded to include Shenzhen, China.

**Reason for Changes:**

Dear Customer, because of our continuous strive to balance supply to demand, we hereby inform you of additional manufacturing capacity located in China. The switches produced at the China location will be identical to those produced at the existing factories in all respects which insures transparency in quality and form-fit-function. The China location operates to certified quality management system according to the industry requirements. An internal release based on conformance to specifications will be executed before any parts will be delivered, which guarantees performance.
