WAGO T Marker Tag

6 characters per marker
 The new T marker tag fulfills the customer request for larger marking areas for series 264 terminal strips.
 The T marker can be marked with up to 6 characters per marker and is snapped into the miniature WSB marker receptacle.
 Terminal strips in any combination of 2- and 4-conductor terminal blocks can be marked without difficulty by stretching the tag.

The T marker tag can be used with:
 ● series 264 modular terminal blocks and terminal strips
 and
 ● series 269 sensor and actuator terminal blocks for base modules

30 markers per tag, suitable for terminal block widths from 5 mm/0.197 in to 6 mm/0.236 in, Each marker can be marked with up to 6 characters plain **209-290**

Pre-printed markers on request
