## Fence Support Base & Upright

### Materials:

#### Base

Linear Low Density Polyethylene  
Sand

#### Upright

ABS Upright  
Polythene End Cap  
Steel Pins and Split Rings

### Instructions For Use:

The Fence Support Upright is designed to create a unit capable of holding up plastic fencing. Before use assemble the base and upright. Insert the end with the steel pins into the base by lining up the pins and hole. Twist fit the two together.  
Distribute assembled unit as per requirements.

### Cleaning Instructions:

Clean with a warm soapy cloth and allow to air dry.

### Maintenance:

Keep clean and in a suitable environment.

### Limitations Of Use:

When assembled with fencing this unit should not be leant on.  
Product intended use is for queue demarcation purposes.  
Do not use for crowd control.
