

Category 6A Port saver

Category 6A Port saver (SGTS)

Our high quality gold plated RJ45 Port saver allows the user to protect the RJ45 ports on expensive devices from frequent connection and disconnection of RJ45 cables. Expensive repairs are avoided by effectively extending the RJ45 port by 10cm, reducing strain from cables and protecting the port from multiple insertions. The life of equipment connectors is prolonged as the Port saver acts as a 'sacrificial jack'.

Features:

- Category 6A ANSI/TIA-568-B.2-1 performance – individually tested to channel level
- Suitable for at least 500 insertions.
- Particularly suitable for simple LAN testers, PDA's and notebook PC's.

Specifications:

- Materials: ABS housing, nickel-plated zinc connector, PVC cable
- Contacts: 50µ"/1.27µm gold plating over nickel, over phosphor bronze
- Colour: black
- Weight: 42 g

Packaging: In individual poly bag then in bags of 20

EAN: 5055386508027

Commodity Code: 85177090

ROHS Compliant

Code: SGTS
