

N4235 Desk Magnifier

The Desk Magnifier is a sturdy all-purpose magnifying lamp, which is designed for the mobile office. It is also perfect for reading as it takes up minimal space on a desk.

This magnifying lamp has a 3 diopter (1.75X magnification) lens, which is surrounded by daylight LEDs, which is ideal for accurate colour matching, as the colour temperature is 5,500K, which is daylight.

It has a goose neck, which enables the user to place the lamp where needed, creating the perfect lighting environment.

The Desk Magnifier lamp is supplied with a UK plug and is CE certified.

SKU: N4235
