C016 10P003 806 12 and C016 10P006 806 12

Dear Sir or Madame,

Our products are designed to reflect demands from the markets and support our customers in reaching their goals. To ensure this despite changes in technology and markets our portfolio is reviewed on a regular basis. As a result of that C016 10P003 806 12 and C016 10P006 806 12 will use a new hex nut. Please see below details:

Please feel free to contact your Industrial@Amphenol contact person for additional information.

Best regards

Global Product Management
