**Business Unit:** Electric **PCN/20/004/C+N-US**  
**Product range:** Han Date: 05/04/2020  
**Title:** Han-Quick Lock & Han D Process Optimization Page 1/2

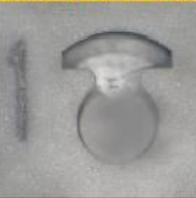

## Details of the Product Changes

### 1. Affected Part Numbers

09 21 007 2632 – Han® 7D-M Quick Lock 1.5 mm<sup>2</sup>  
 09 36 008 2632 – Han® 8D-M Quick Lock 1.5 mm<sup>2</sup>

### 2. Description of the Change

The stability of the injection molding core for the Han® 7D insert and the Han® 8D Quick Lock insert has increased.

| Illustration of the insert (after change)                                           | Detailed illustration (after change)                                                 |

|  |  |

### 3. Impact on the Product Specification

Technical and electrical characteristics are not affected by this modification

### 4. Scheduled Date of Implementation

July 1<sup>st</sup>, 2020

|                                                                                                                      |                                                      |            |
