WARRANTY ▲

Double Diamond™ Warranty (Standard)

Take the risk out of equipment purchases with the Double Diamond™ Warranty from Black Box Network Services.

The Double Diamond Warranty is our warranty that protects your Black Box® brand products* from accidental damage, including drops, water, and power surges.

The CAT5E BULK CABLE 350 MHZ, SHIELDED, PLENUM, GRAY comes with a standard Lifetime Double Diamond™ Warranty (Standard) warranty already included.

During the warranty period, Black Box Network Services will repair or replace your damaged equipment within one week of receipt at NO CHARGE!*

Plus, get an Extended Double Diamond Warranty.

You can also extend your warranty or protect a previously purchased Black Box® brand product** for an additional year—for only 10% of the purchase price! Or, extend your coverage for a full three years for only 20% of the purchase price!

Ordering an extended warranty is easy: When viewing a product in your shopping cart, just select the one or three years of additional coverage in the dropdown menu under "Warranty Options." For details, contact Customer Service at 724-746-5500.
* Warranty subject to certain **exclusions and limitations (https://www.blackbox.com/en-us/support/support/black-box-product-support/returns-warranties)** ** Certain products may not be eligible.

What's more, we also have a 45-day return policy. Simply call Customer Service for a Return Authorization (RA) number, return your product in new condition and in the original package, and receive a full refund.
