

MULTIPURPOSE BOXES

MULTIPURPOSE BOXES WITH LIDS

These boxes are moulded in ABS to give maximum strength but can be easily punched or drilled for individual requirements and to produce a professional looking end product. They are available in black, white and light grey as standard but other colours may be available on request should you require to add that individual touch to your products. All but MB4, MB6 and MB7 have a polished finish. Printed circuit board slots are provided on certain types to allow ease of manufacture. The lids are retained by M3.5 countersunk screws into brass inserts.

Part No.	Overall Dimensions mm					
	A	B	C	Nominal Wall Thickness	Rib Spacing	
					Side A	Side B
MB1	79	61	40	1.5	20	20
MB2	100	76	41	1.5	20	20
