TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

RZ Relay cover material change

Description of Changes

The following part numbers are being modified due to plastic material changes affecting case part. This change will improve general supply chain issues in terms of replacing a PA66 material by a PA6 material at a part of all PNs. Performance, SSA approvals as well as material parameters like UL flame class for case parts remain unchanged.

Reason for Changes:

Product Improvement. Product Improvement. Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. These parts are affected by the change mentioned above!
