PCN #:P-20-019212

Subject:SENSORHYBRID LMM-H03 supply chain change

Description of Change: Supplier change (Insourcing of the SENSORHYBRID LMM-H03 assembly)

Reason: Part status change. The subcontractor for the hybrid assembly stopped the service for all customers including TE for business strategic reasons. TE decided to insource these processes and cover the required investment to enable an end-to-end manufacturing internally, which will lead into a better control and opportunities for improvement of the delivery performance. This change will not impact product performance or characteristics.

Key Dates:

Contact By Date:20-Dec-2021

Implementation Date:20-Dec-2021

Product Affected

G-MAFCO-005

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the

TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
