Use the Einhell CE-CB 18/254 Li - Solo cordless car polishing machine to quickly polish your car to a mirror finish, independent of stationary sources of electricity thanks to the li-ion battery. The battery from the Power X-Change family can be used in all the devices from the system series and is available separately. For long service life the polishing machine is user-friendly and robust, while the Softgrip provides a perfectly firm hold. The powerful 2,500 revolutions per minute and the polishing disk Ø 254 mm ensure effective polishing. For safety there is an ON/OFF switch and overload protection. It is supplied complete with a textile polishing bonnet for applying the polishing agent and a synthetic polishing bonnet for finishing off.
