Related Documents

Outline drawing	DOU-00012005	
	Order as 74_Z-0-0-352	single

2002/95/EC (RoHS) compliant

Note:

For this tool is a Test Report or a certificate of Calibration available. Test Report does confirm the measured min. and max. torque values. The Certificate of Calibration certifies that the torque wrench has been calibrated by using calibrated equipment and traceable to International Standards. Furthermore information such as order reference, name of customer, test equipment, etc. is mentioned. Test Report and Certificate of Calibration will be charged per item.

Important!

When Test Report or Certificate of Calibration is requested, it has to be mentioned when ordering!

The HUBER+SUHNER group is certified according to ISO 9001 and ISO 14001

WAIVER!

It is exclusively in written agreements that we provide our customers with warrants and representations as to the technical specifications and/or the fitness for any particular purpose. The facts and figures contained herein are carefully compiled to the best of our knowledge, but they are intended for general informational purposes only.
