Before Change

- **Transfer Rationale:**
Molex will close the Molex Juarez plant and consolidate production in Molex Guadalajara. This Short Notice PCN is to communicate this plant transfer to impacted customers as soon as possible.
- The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard industry requirements. A Molex internal release test based on the relevant part specifications defined by Product Engineering will be executed before delivery.
- **Product Impact**
 - No impact to fit, form or function
- **Part Number Impact**
 - See attached impacted parts list
