New FLUKE - GAUGEPAK Magnetic Hanger Kit for 700G Series Pressure Gauges

The FLUKE-GAUGEPAK is an easily installed hanging kit for the 700G Pressure Gauges. This accessory allows hands free pressure reading of the 700G gauge giving you the ability to perform addition functions such as pumping pressure, taking readings, and documenting test results. Installation of the GAUGEPAK is simple and provides the best angle position for best viewing of the gauge.
