

Reactivation Notification **Update**

202011023RNU01 : Reactivation of KMZ49/KMZ60/KMZ60E

Note: This notice is NXP Company Proprietary.

Issue Date: Dec 04, 2020 **Effective date:** Dec 05, 2020

Dear Emma Tempest,

Here is your personalized notification about a NXP general announcement.

For detailed information we invite you to [view this notification online](#)

PCN Overview

Reactivation Information

NXP will reactivate KMZ49/KMZ60/KMZ60E, this Reactivation Notification serves as withdrawal of the Discontinuation Notification of the relevant parts.

This Reactivation Notice announces to our customers and partners that NXP Semiconductors (NXP) is reactivating the manufacture of a number of its integrated circuits and discrete semiconductors announced on previous Discontinuation notices and listed in the Part Type Affected list included with this notification.

NXP Semiconductors Standard Terms and Conditions apply. NXP Semiconductors sales, marketing and distribution personnel stand ready to assist you in placing your orders or in providing product information you require. On behalf of NXP Semiconductors, we appreciate your continued business and look forward to serving your company semiconductor requirements in the years to come.

Reason

NXP withdraws the wafer fab changes planned for KMZ49, KMZ60 and KMZ60/E, and will continue with the existing supply chain.

Update Information

The Excel file attachment in the original notification might have been missing.

We are sending you this Update Notification to ensure you receive the Excel file which contains the Product List and your Sales History.
