EOL notice of products due to the end of production of parts (IC)

Dear valued customer,

thank you for choosing SEIKO EPSON CORP. Timing Products as your products of choice.

Below products use 3rd Party ICs and unluckily we have been informed by the related IC supplier that the semiconductors used in these products will be discontinued.

Consequently, we are forced to announce the discontinuation of below products as well. We apologize for the inconvenience and thank you for your understanding and cooperation.
