

End of Life Notice for Crystal Units **CX1255, CX8045, CX5032, CX2520, CX2016SB series**

Dear Customers,

Kyocera International, Inc. would like to inform you that some crystal units we produce will be discontinued.

With the recent shift to small sized products, large size products production has significantly decreased. Our production facilities for large size products are aging and we have made decision to terminate our production.
