ADDITIONAL INFORMATION

The Award-winning Rapid Wood blades are now the best blade for all timber cutting! The new SMARTCUT design means these blades will cut faster, neater and deeper than any other wood blade! Great for cutting timber, hardwoods (oak), laminate flooring. The Rapid Wood blades have a curved tooth design for maximum precision when starting a cut! A new tooth style for a very fast, clean cut in timber! and an increased blade depth of 51mm to cut all the way through 2" timber! Work SMARTer... not Harder!
