To whom it may concern,

This product change notification is to inform customers' of a recent change in the manufacturing process of the Q6 and Q8 product line. If you have any questions please contact your local sales contact.

**Impacted series: Q6 & Q8 with pins V1**

Benefits:-

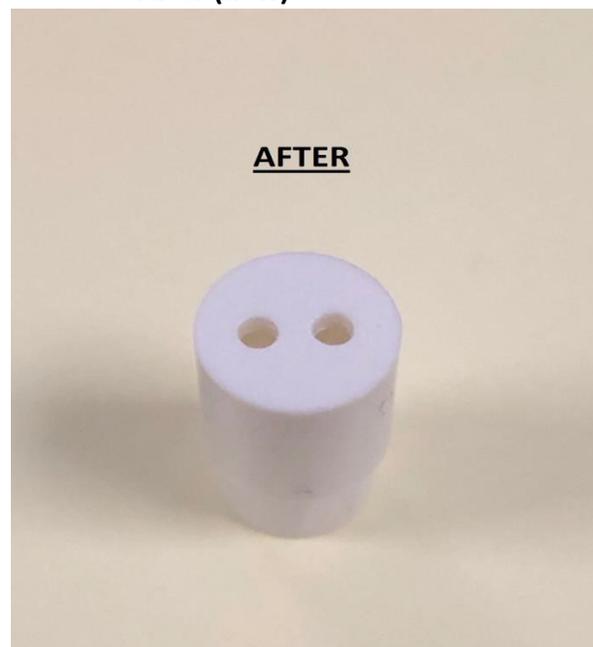

- Reduce the number of molded back bodies
- Expand the new part across our manufacturing locations
- Improve production efficiencies and reduce tool maintenance

See below:-

**Before (old)**

**After (new)**

Notes:-

All old issue stock has been consumed and BOMs updated with new.
