DESCRIPTION OF TERMINATION:

Due to raw material shortage, Würth Elektronik is not able to continue to deliver the WE-PMMI series in the existing design.

An alternative design couldn't be released for mass production of metal alloy multilayer products in time.

Based on those reasons as soon as our stock is empty, we cannot fulfill further shipments to our customers.

Consequently, this time we cannot keep our last time buy policy.

ALTERNATIVE PRODUCT / SOURCE:

The WE-PMCI and WE-PMI series are possible alternative products.

Please have a look into the attachment "WE-PMMI alternate Partlist" for a detailed comparison of the WE-PMMI vs. WE-PMCI & WE-PMI.
