TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
W23 and W31 Circuit Breakers - Selected PNs

Description of Changes
Manufacturing location change. For the following Part Numbers second manufacturing source will be enabled.

Reason for Changes:
Dear Customer, the following PNs are currently enabled to be produced in TE Mexico factory. Due to adverse impact of Covid-19, supply chain of these PNs is constrained. To improve the resiliency of supply chain, TE will enable second source for below selected PNs. New source is in China. New source is qualified and experienced in producing W23 and W31 Circuit Breakers, this will enable below PNs of W23 and W31 Circuit Breakers to be produced in second location. Current Location, TE Mexico will continue to produce these PNs. The new manufacturing location is under a certified quality management system according the standard industry requirements.
