

Product Change Notice: HE-S Series Relays

PCN.PG04.2.5.2021

2.5.2021

About This Notice:

Please be informed that the HE-S Series Relays now offer a maximum switching current of 40A at 277 VAC for 1,000 cycles.

Effective Date:

Immediate

Change Details:

■ **Expected electrical life (resistive load)**

Form A contact	Standard type	Long life type
20 A 277 V AC	100×10 ³	200×10 ³
30 A 220 V AC	-	100×10 ³
35 A 277 V AC	30×10 ³	50×10 ³
40 A 277 V AC	10 ³	10 ³
5 A 110 V DC	10×10 ³	10×10 ³

Affected Parts:

See Attached.

Datasheet(s):

See Attached.

Notes:

The HE-S Series Relay datasheet has been updated to reflect this specification change. Part numbers, price and other specifications remain unchanged.
