

FEBRUARY 2021

## Specification change: PS5R-V switching power supplies

IDEC would like to inform you of a specification change on some of our PS5R-V switching power supplies. Details are as follows:

### 1. Affected models:

The following PS5R-V switching power supplies (including special products):

- PS5R-VD24
- PS5R-VE24
- PS5R-VF24
- PS5R-VG24

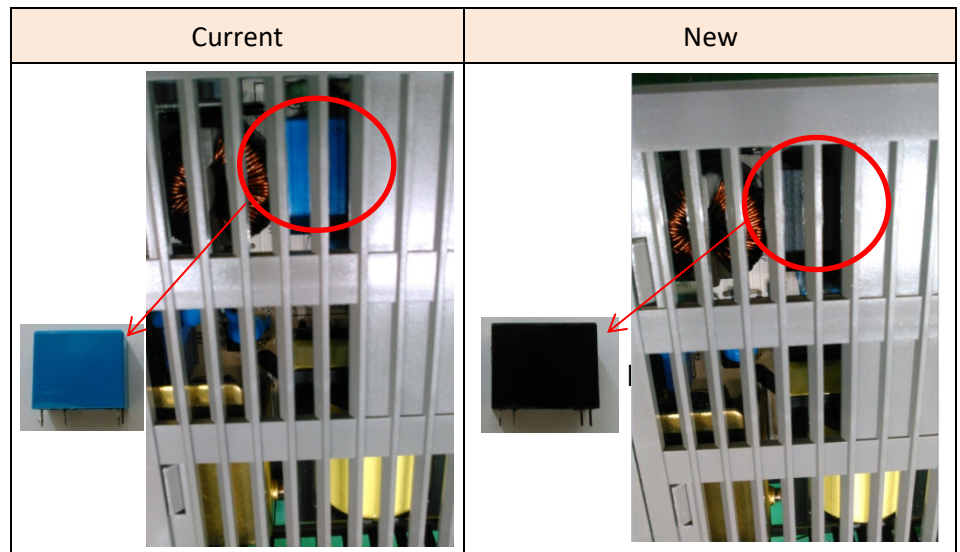

### 2. Specification change:

The relay inside the power supply will be changed because it has been discontinued by the supplier. Accordingly, the color of the relay case will change from blue to black.

#### Example:

PS5R-VD24

Note: There is no other specification change.

### 3. Schedule:

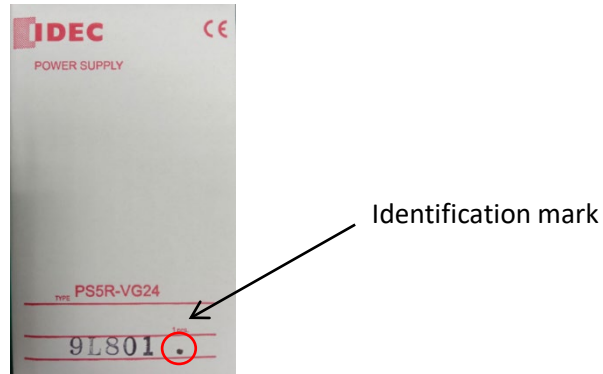

Starting from February 2021

### 4. Part number and pricing will remain unchanged.

### 5. Identification:

Modified products will have a black dot “ • ” displayed on their product cases, next to the lot number.

This identification mark will be used with modified products made until July 2021.
