- *The article is not a dangerous material according to transport regulations.*
- *The article does not contain water-polluting substances according to Water Regulations.*
- *The article does not contain biocides.*
- *The article can, after it's use in service, be scrapped according to the European Waste Code.*

Any information provided, either in hard copy or electronic form is subject to the following:

1. The data is not intended to substitute for any testing you may need to conduct to determine for yourself the suitability of a particular material for a particular purpose. HellermannTyton makes no guarantee of results nor warranties, express or implied and assumes no obligation or liability whatsoever in connection with this information.
2. Statements concerning the use of the products or formulations described herein are not to be construed as recommending the infringement of any patent, copyright, designs or other intellectual property and no liability for infringement arising out of such use is assumed by HellermannTyton. None of this information is to be considered as a license to operate under any patents.
3. This statement is based on our current level of knowledge as advised by our raw material suppliers. It considers deliberately introduced substances and known contaminants of the products final composition. It does not consider possible substances formed during subsequent transformation steps of the material. Except for substances mentioned as exceptions, the resin is not manufactured adding any of the reportable, restricted or forbidden substances above the limits identified. To the best of our knowledge, none of our raw material suppliers use these substances in the manufacture of their products. Please note that we do not analyse our products for substances not purposely added.
4. For all safety, health and environmental information the Material Safety Data Sheet (MSDS) is the only appropriate information source and it is not replaced by the information provided in this document. Copies of raw material MSDS sheets are available upon request.
5. This information is valid only for HellermannTyton products as shipped from our facility, and may become invalid if the product is used with other products or materials.
