

04-May-2021

**PCN #:**P-21-020876

**Subject:**MCON 1.2 CB TAB SWS AG

**Description of Change:** Additional Manufacturing Source. The plating of MCON 1.2 CB Tab component 1718373-3 will be possible in TE USA (Greensboro plant) to support Americas-produced finished goods that use this component. The previous plating site, TE Germany (Dinkelsbuehl plant) will still have the capability to produce this component.

**Reason:** Product improvement. Additional global capacity, production flexibility, and localization to the region of consumption to support Americas customer demand.

**Key Dates:**

**Contact By Date:**31-Jul-2021

**Implementation Date:**31-Jul-2021

**Product Affected**                      **Alias Part Number**

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.

Alert document created by IHS Markit based on content provided by TE Connectivity.
